## Greater Broadway Partnership Business District Entry Permit to Remove Graffiti

The undersigned, owner/property manager/responsible party of the improved real estate property at (business name) \_\_\_\_\_ (business address) \_\_\_\_\_  
\_\_\_\_\_ does hereby authorize Graffiti Removal Services (GRS) to remove the graffiti located at the above address, subject to the following terms and conditions.

1. The undersigned acknowledges that he/she has not caused, allowed or permitted the placement of the aforementioned graffiti and the undersigned will cooperate with Graffiti Removal Services in the abatement and removal of the aforementioned graffiti.
2. Graffiti Removal Services, through its authorized employees or contractual agents, is hereby authorized to enter the aforementioned property of the undersigned to remove graffiti from said premises. I understand that one process for removing graffiti is by painting over graffiti with paint closely matching the existing surface color. I understand that the painting may be done in blocks or stripes only where the lettering appears and the affected areas may not match existing color precisely. I understand that other processes of removing graffiti may be allowed as in media blasting, water blasting, soda blasting and removing graffiti with solvents and sprays.
3. It is understood that all removal of graffiti may not restore the said effected surface to its original look or finish. There may be a slight shadow or dullness or smear to the surface. Nonetheless, GRS assumes no responsibility if the surface does not match or is not restored to its original condition.
4. The undersigned acknowledges that GRS does not guarantee either the success of the work, the removal of said graffiti or the results obtained.
